Vought Aircraft Industries goes Paper-less

Superior, CO, USA. – August 31, 2006 – Vought Aircraft Industries, Inc. selects Adobe LiveCycle platform and InfoTrust for e-Forms and workflow solutions. The Adobe LiveCycle platform streamlines business critical communications by combining the best characteristics of paper, such as familiarity and ease of use, with powerful business logic in the areas of security, calculations, routing, error checking, and data validation. Forms are quickly developed to using Adobe Designer to utilize web services and database connections.

About Vought

Vought Aircraft Industries, Inc. (www.voughtaircraft.com) is one of the world's largest independent suppliers of aerostructures. Headquartered in Dallas, the company designs and manufactures major airframe structures such as wings, fuselage subassemblies, empennages, nacelles and other components for prime manufacturers of aircraft. Vought has annual sales in excess of \$1.3 billion and about 6,000 employees in nine U.S. locations.
